Change of Address; Office of Federal Acknowledgment

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Final rule; technical amendment.

SUMMARY: The Bureau of Indian Affairs (BIA) is amending its regulations to reflect a change of address for the Office of Federal Acknowledgment. This rule is a technical amendment that corrects the address for filing petitions for Federal acknowledgment as an Indian Tribe.

DATES: Effective July 18, 2018.

FOR FURTHER INFORMATION CONTACT: Elizabeth Appel, Director, Office of Regulatory Affairs & Collaborative Action, (202) 273-4680; elizabeth.appel@bia.gov.

SUPPLEMENTARY INFORMATION: This rule updates the address for the Office of Federal Acknowledgment to reflect the office's change in location.

Procedural Requirements

A. Regulatory Planning and Review (E.O. 12866 and 13563)

Executive Order (E.O.) 12866 provides that the Office of Information and Regulatory Affairs (OIRA) at the Office of Management and Budget (OMB) will review all significant rules. OIRA has determined that this rule is not significant.

E.O. 13563 reaffirms the principles of E.O. 12866 while calling for improvements in the nation's regulatory system to promote predictability, to reduce uncertainty, and to use the best, most innovative, and least burdensome tools for achieving regulatory ends. The E.O. directs agencies to consider regulatory approaches that reduce burdens and maintain flexibility and freedom of choice for the public where these approaches are relevant, feasible, and consistent with regulatory objectives. E.O. 13563 emphasizes further that regulations must be based on the best available science and that the rulemaking process must allow for public participation and an open exchange of ideas. The Department has developed this rule in a manner consistent with these requirements.

B. Regulatory Flexibility Act

This rule will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*). The rule is administrative in nature and affects only a mailing address.

C. Small Business Regulatory Enforcement Fairness Act

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. It will not result in the expenditure by State, local, or tribal governments, in the aggregate, or by the private sector of \$100 million or more in any one year. The rule's requirements will not result in a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions. Nor will this rule have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of the U.S.-based enterprises to compete with foreign-based enterprises.

D. Unfunded Mandates Reform Act

This rule does not impose an unfunded mandate on State, local, or Tribal governments or the private sector of more than \$100 million per year. The rule does not have a significant or unique effect on State, local, or Tribal governments or the private sector. A statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1531 *et seq.*) is not required.

E. Takings (E.O. 12630)

Under the criteria in Executive Order 12630, this rule does not affect individual property rights protected by the Fifth Amendment nor does it involve a compensable "taking." A takings implication assessment is therefore not required.

F. Federalism (E.O. 13132)

Under the criteria in Executive Order 13132, this rule has no substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. This rule corrects a mailing address.

G. Civil Justice Reform (E.O. 12988)

This rule complies with the requirements of Executive Order 12988. Specifically, this rule meets the criteria of section 3(a) requiring all regulations be reviewed to eliminate errors and ambiguity and be written to minimize

litigation and meets the criteria of section 3(b)(2) requiring that all regulations be written in clear language and contain clear legal standards.

H. Consultation With Indian Tribes (E.O. 13175)

The Department strives to strengthen its government-to-government relationship with Indian Tribes through a commitment to consultation with Indian Tribes and recognition of their right to self-governance and Tribal sovereignty. We have evaluated this rule under the Department's consultation policy and under the criteria in Executive Order 13175 and have determined there are no potential effects on federally recognized Indian Tribes and Indian trust assets.

I. Paperwork Reduction Act

This rule does not contain any information collections requiring approval under the Paperwork Reduction Act (PRA), 44 U.S.C. 3501 *et seq.*

J. National Environmental Policy Act

This rule does not constitute a major Federal action significantly affecting the quality of the human environment because it is of an administrative, technical, and procedural nature. *See*, 43 CFR 46.210(i). No extraordinary circumstances exist that would require greater review under the National Environmental Policy Act.

K. Effects on the Energy Supply (E.O. 13211)

This rule is not a significant energy action under the definition in Executive Order 13211. A Statement of Energy Effects is not required.

L. Determination To Issue Final Rule Without the Opportunity for Public Comment and With Immediate Effective Date

BIA is taking this action under its authority, at 5 U.S.C. 552, to publish regulations in the **Federal Register**. Under the Administrative Procedure Act, statutory procedures for agency rulemaking do not apply "when the agency for good cause finds . . . that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest." 5 U.S.C. 553(b)(3)(B). BIA finds that the notice and comment procedure are impracticable, unnecessary, or contrary to the public interest, because: (1) These amendments are non-substantive; and (2) the public benefits for timely notification of a change in the official agency address, and further delay is unnecessary and contrary to the public

interest. Similarly because this final rule makes no substantive changes and merely reflects a change of address and updates to titles in the existing regulations, this final rule is not subject to the effective date limitation of 5 U.S.C. 553(d).

II. Background

A. Introduction

In this final rule, the Office of Labor-Management Standards of the Department of Labor revises the Form LM-20 Agreement and Activities Report and the Form LM-10 Employer Report upon reviewing the comments the Department received in response to a June 12, 2017 Notice of Proposed Rulemaking. 82 FR 26877.
