Suzanne, good afternoon. At my desk with notes and all.

Seems last week this request was discussed and has been regretted by AS Echo Hawk and referred to Sequoyah. Although, at this time, I am not sure if he is aware (pretty sure, but do not want to assume). Just stepped out to ask him, but at this moment, he is in a meeting. In about 1 hour, I will check with him and get back to you.

Thanks for checking in.

Ms. Milam – I am checking in regarding the Tejon Indian Tribe's request for a meeting with Assistant Secretary Echo Hawk, which we submitted last Monday, April 11 (attaching another copy here for your convenience).

Would you please let us know whether a decision has been made regarding the Tribe's request for a meeting, or at least let us know where we are in the process?

The Tejon Indian Tribe has been waiting for quite some time for Departmental action on its pending request for confirmation of status, and Tribal representatives are quite anxious to speak with the Assistant Secretary about it as soon as possible.

We very much appreciate your assistance with this request.

Thank you. Susi Schaeffer and Heather Sibbison
