2015 Welfare Assistance Distribution Methodology Webinar Training

The BIA, Division of Human Services will host two webinar sessions that provide an overview of the BIA's Welfare Assistance Distribution Methodology. Specifically, the webinar will demonstrate how the data on the 2013 Financial Assistance and Social Services Report (FASSR), the 2014 FASSR, and the 2015 Request for Additional Funds Form drive the funding distributions for Welfare Assistance. All Tribal and BIA Agency programs who operate Welfare Assistance and submit the FASSR each funding year are invited to participate. **Please register for only one webinar, as the training is the same on each day.**
