Memorandum

Attention: Regional Fire Management Officers  
Regional Fuels Specialist

From: Director Branch of Wildland Fire Management 

Subject: Interagency Prescribed Fire Planning and Implementation Guide

The recently approved Interagency Prescribed Fire Planning and Implementation Guide (*Guide*) has now been distributed to the field for implementation as directed in the October 26, 2006 memorandum issued by the Bureau of Indian Affairs Director.

A memorandum announcing and introducing the *Guide* sent by the National Fire and Aviation Executive Board dated September 1, 2006 also states it is effective immediately. In lieu of this time difference, BIA NIFC has established a date of January 1, 2008 as a deadline for all prescribed fire activities to convert to the *Guide* format and direction. The Bureau of Indian Affairs, National Interagency Fire Center does, however, encourage and recommend all field units use the *Guide* in the preparation of all new Prescribed Fire Plans.
