BILLING CODE 4210-67-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4743-N-09]

Notice of Planned Closing of Nashville, TN Post-of-Duty Station

AGENCY: Office of the Inspector General,
HUD.

ACTION: Notice of planned closing of the
Nashville, Tennessee post-of-duty
station.

SUMMARY: This notice advises the public
that HUD's Office of the Inspector
General (HUD/OIG) plans to close its
Nashville, Tennessee post-of-duty
station, and also provides a cost-benefit
analysis of the impact of this closure.

FOR FURTHER INFORMATION CONTACT:
Bryan Saddler, Counsel to the Inspector
General, Room 8260, Department of
Housing and Urban Development, 451
Seventh Street, SW., Washington, DC
20410-4500, (202) 708-1613. (This is
not a toll-free number.) A
telecommunications device for hearing-
and speech-impaired persons (TTY) is
available at (800) 877-8339 (Federal
Information Relay Services). (This is a
toll-free number.)

SUPPLEMENTARY INFORMATION: The
Nashville, Tennessee post-of-duty
station was opened in 2003 to address
fraud statewide. In 2006, one of the two
agents assigned to Nashville resigned
and another was transferred to Texas.
Additionally, HUD/OIG plans to add
investigative staff to its existing post-of-
duty station in Knoxville. HUD/OIG has
determined that greater efficiency and
cost-savings can be achieved by now
consolidating staff and resources in the
Knoxville office.

Section 7(p) of the Department of
Housing and Urban Development Act
(42 U.S.C. 3535(p)) provides that a plan
for field reorganization, which may
involve the closing of any field or
regional office, of the Department of
Housing and Urban Development may
not take effect until 90 days after a cost-
benefit analysis of the effect of the plan
on the office in question is published in
the Federal Register. The required cost-
benefit analysis should include: (1) An
estimate of cost savings anticipated; (2)
an estimate of the additional cost which
will result from the reorganization; (3) a
discussion of the impact on the local

economy; and (4) an estimate of the
effect of the reorganization on the
availability, accessibility, and quality of
services provided for recipients of those
services.

Legislative history pertaining to
section 7(p) indicates that not all
reorganizations are subject to the
requirements of section 7(p). Congress
stated that "[t]his amendment is not
intended to [apply] to or restrict the
internal operations or organization of
the Department (such as the
establishment of new or combination of
existing organization units within a
field office, the duty stationing of
employees in various locations to
provide on-site service, or the
establishment or closing, based on
workload, of small, informal offices
such as valuation stations)." (See House
Conference Report No. 95-1792,
October 14, 1978 at 58.) Through this
notice, HUD/OIG advises the public of
the closing of the Nashville, Tennessee
duty station and provides the cost-
benefit analysis of the impact of the
closure.

*Impact of the Closure of the Nashville,
Tennessee, Post-of-Duty Station:* HUD/
OIG considered the costs and benefits of
closing the Nashville, Tennessee post-
of-duty station, and is publishing its
cost-benefit analysis with this notice. In
summary, HUD/OIG has determined
that the closure will result in a cost
savings, and, as a result of the size and
limited function of the office, will cause
no appreciable impact on the provision
of authorized investigative services/
activities in the area.

A. Cost Savings: The Nashville,
Tennessee post-of-duty station currently
costs approximately \$31,764.38 per
annum for space rental. Additional
associated overhead expenses (e.g.,
telephone service) are incurred to
operate the post-of-duty station. Thus,
closing the office will result in annual
savings of at least \$32,000.

B. Additional Costs: Since the
Nashville, Tennessee post-of-duty is
currently not staffed, there are no
offsetting costs associated with the
closure.

C. Impact on Local Economy: No
appreciable impact on the local
economy is anticipated. The post-of-
duty station is located in a desirable
office park, and it is anticipated that
the space can easily be re-leased to other
tenants.

**D. Effect on Availability, Accessibility
and Quality of Services Provided to
Recipients of Those Services:** The
availability, accessibility and quality of
services provided to complainants will
not be adversely impacted. Special
agents assigned to other HUD/OIG

offices—chiefly Atlanta, and soon
Knoxville—can cost-effectively address
fraud allegations in Tennessee generally
and Nashville specifically.

For the reasons stated in this notice,
HUD/OIG intends to proceed to close its
Nashville, Tennessee post-of-duty
station at the expiration of the 90-day
period from the date of publication of
this notice.

Dated: January 10, 2007.

Kenneth M. Donohue, Sr.,
Inspector General.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[WY-100-1110-PI]

Notice of Seasonal Closure of Public Lands to Motorized Vehicle Use

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of seasonal closure of certain public lands located in Sublette County, Wyoming to all types of motor vehicle use and/or human presence.

SUMMARY: Pursuant to 43 Code of Federal Regulations subpart 8364, the Bureau of Land Management (BLM) may issue an order to close the use of BLM administered lands to the public to protect those lands and resources. The Pinedale Resource Management Plan (RMP) Record of Decision (ROD), December 12, 1988, states that big game winter ranges, and elk feedgrounds may be closed to minimize stress to

wintering animals. The Pinedale Anticline Project (PAPA) ROD (2000) identifies areas that may be subject to seasonal closures as conditions warrant.

After consulting with the Wyoming Game and Fish Department, the BLM Pinedale Field Manager has implemented a seasonal closure on certain BLM-administered lands and travel ways including existing roads and two-track trails, to all types of motorized vehicle travel (e.g., snowmobiles, all-terrain vehicles, any vehicle including trucks, sport utility vehicles and cars, motorcycles etc.). Winter ranges, as identified in the Pinedale RMP, and as described below in the **SUPPLEMENTARY INFORMATION** section, will be closed to all unauthorized motorized travel from November 15 through April 30 each winter. Use of winter range areas by non-motorized means is still allowed. Feedground areas will be closed November 15 through April 30 each winter, to all motorized vehicles and human presence. The Mesa winter range will remain open to motorized travel on existing roads from November 15 through January 14 each winter, but roads will be closed to unauthorized motorized travel January 15 through April 30 each winter. After April 30 each year, motorized vehicle use will be limited to existing roads and two-track trails.

The winter range seasonal closures affect public lands located within the Deer Hills, Oil Field, Mesa, Bench Corral, and Miller Mountain winter ranges. Elk feedground closures affect public lands around the Franz, Finnegan, Scab Creek, Fall Creek, and North Piney feedgrounds. This action is necessary for the protection of crucial winter range habitat for elk, moose, antelope, and mule deer. Except for travel on highways or county roads, motorized vehicle travel within these areas will be allowed only by written authorization from the Pinedale Field Manager. Personnel of the BLM, Wyoming Game and Fish Department, U.S. Department of Agriculture-APHIS & Forest Service, U.S. Fish & Wildlife Service, and law enforcement personnel are exempt from this closure when performing official duties. Operators of existing oil and gas facilities may perform routine maintenance, or operation and drilling as approved by the BLM, and livestock operators may perform permitted activities.

SUPPLEMENTARY INFORMATION: The BLM Pinedale Field Office is responsible for management of crucial winter range habitat located on public lands within Sublette County. These crucial winter range habitat areas and the management

thereof are addressed in the Pinedale RMP ROD, which was signed December 12, 1988 and Pinedale Anticline Project Area (PAPA) ROD signed on July 27, 2000. The RMP identifies areas of crucial winter range and states that seasonal closures for motorized vehicles may be used to protect big game winter range. Closures will vary depending on conditions and will be implemented in coordination with the Wyoming Game and Fish Department (Pinedale RMP, pages 33, 35, and 37). Road closures from the PAPA ROD identify current and future use of roads in the winter and outlines allowable access (Pages 12 and 19). Reasons for the closure include the effects of persistent drought and/or severe winter conditions which threaten the health of these wintering wildlife species. Low forage production associated with persistent drought conditions causes animals to go into winter in poor condition. Losses of wintering habitat from development activity can reduce the area available to the wintering animals. These impacts to wintering wildlife are compounded by significant human activity, such as day and night wildlife observation, still and video photography, snowmobiling, and antler gathering. Because of the increased stress the presence of motorized vehicles inflicts on wintering big game during difficult winter periods, the number of animals that will die and the rate of aborting or reabsorption of fetuses on the winter range can increase. This decreases production of young during the following summer. Therefore, closing crucial winter ranges and feedgrounds to motorized vehicles and human presence (feedgrounds) reduces impacts to wintering big game.

By this order, the following BLM-administered lands are included in this notice of closures:

- The Oil Field winter range complex located approximately 10 miles west of Big Piney containing approximately 116,981 acres.
- The Deer Hills winter range complex located approximately 10 miles west of Big Piney containing approximately 23,552 acres.
- The Mesa winter range complex located approximately 3 miles south of Pinedale containing approximately 83,101 acres.
- The Bench Corral winter range complex and elk winter feedground (T31-32N, R112W) located approximately 18 miles southwest of Pinedale containing approximately 42,230 acres.
- Miller Mountain winter range located approximately 5 miles south and west of LaBarge containing approximately 118,543 acres.

**AMENDMENT TO TRIBAL-STATE COMPACT BETWEEN THE
STATE OF CALIFORNIA AND THE QUECHAN TRIBE OF THE
FORT YUMA INDIAN RESERVATION**

WHEREAS, the State of California (hereinafter “the State”) and the Quechan Tribe of the Fort Yuma Indian Reservation (hereinafter “the Tribe”) entered into a compact in 1999 (hereinafter the “1999 Compact”); and

WHEREAS, the State and the Tribe have agreed to revise the 1999 Compact to promote good relations between tribal, state, and local governments and to enhance tribal economic development and self-sufficiency; and

WHEREAS, the Tribe agrees to make a fair revenue contribution to the State, to enter into arrangements to mitigate to the extent practicable the off-reservation environmental and direct fiscal impacts of its Gaming Facility on local communities and local governments, and to offer additional consumer protections; and

WHEREAS, in recognition of the revenue contribution and the measures enhancing protections for local governments and the public and to provide a sound basis for the Tribe’s decisions with respect to investment in, and the operation of, its Gaming Activities, the State agrees to amend the 1999 Compact to afford the opportunity to operate additional Gaming Devices and to extend the term of the Compact; and

WHEREAS, the State and the Tribe have concluded that this amendment to the 1999 Compact provides for a fair contribution to the State in light of the Tribe's circumstances and the size of its Gaming Operation, enhances the Tribe's exclusive right to operate slot machines, protects the interests of the Tribe and the California public, and will promote and secure long-term stability, mutual respect, and mutual benefits; and

WHEREAS, the State and the Tribe recognize that this amendment is authorized and negotiated and shall take effect pursuant to the Indian Gaming Regulatory Act (“IGRA”); and

WHEREAS, the State and the Tribe agree that all terms of this amendment to the 1999 Compact (collectively the "Amended Compact") are intended to be binding and enforceable.

NOW, THEREFORE, the Tribe and the State hereby amend the 1999 Compact as follows:

I. REVENUE CONTRIBUTION.

A. Section 4.3.1 is repealed and replaced by the following:

Section 4.3.1.

The Tribe is authorized to operate up to 1100 Gaming Devices, but its right to operate any Gaming Devices shall be subject to its making the payments set forth under Section 4.3.2.2 and Section 4.3.3 herein in accordance with the terms set forth therein.

B. Sections 2.15, 4.3.2(a)(iii), 4.3.2.3, and 5.0 are repealed.

C. Section 4.3.2.2 is repealed and replaced by the following:

Section 4.3.2.2.

(a) If the Tribe earns over \$75 million in Net Win (as defined in Section 4.3.3, subdivision (c)) generated from the operation of its Gaming Devices in any given calendar year, the Tribe agrees that it shall pay by January 30 of the following year to the California Gambling Control Commission for deposit into the Revenue Sharing Trust Fund the following fees for each Gaming Device in excess of 700 in operation during the preceding calendar year:

Number of Gaming Devices	Annual Fee Per Gaming Device
701-1100	\$900

The Tribe need not make any payment to the Revenue Sharing Trust Fund based on the operation of 0-700 Gaming Devices. The number of Gaming Devices over 700 for the preceding calendar year, upon which fees

will be paid, shall be based on the maximum number of Gaming Devices operated during any time in the preceding calendar year.

(b) Fee payments pursuant to subdivision (a) shall be accompanied by a written certification of the maximum number of Gaming Devices operated during the preceding year, which shall be prepared by the chief financial officer of the Gaming Operation. Such certification shall also show the computation for the fees that are due, based on the fee schedule set forth in subdivision (a).

D. Section 4.3.3 is repealed and replaced by the following:

Section 4.3.3.

(a) (i) The Tribe agrees that in consideration of the exclusive right to operate Gaming Devices within the geographic region specified in Section 3.2 and to do so outside the licensing system established by the 1999 Compact, it shall pay to the State the following percentages of its Net Win (as defined in subdivision (c)) generated from the operation of its Gaming Devices:

Annual Net Win	Percentage Paid To State
\$0 to \$50 million	10%
Over \$50 to \$100 million	14%
Over \$100 million to \$150 million	18%
Over \$150 million to \$200 million	22%
Over \$200 million	25%

(ii) The payment specified herein has been negotiated between the parties as a fair contribution to be made annually in quarterly payments based on the Tribe's circumstances, and the schedule above incorporates and reflects a negotiated reduction of two percentage points for the first two categories (\$0 to \$50 million and \$50 million to \$100 million) in recognition of the Tribe's sizable membership of over 3000 and its concomitant needs.

(b) The Tribe shall remit to such agency, trust, fund or entity, as the State Director of Finance, pursuant to law, from time to time, shall specify to the Tribe in writing, the payment referenced in subdivision (a) in quarterly payments, which quarterly payments shall be based on the Net Win generated from the Gaming Devices during the calendar quarter, due on the

thirtieth day following the end of each calendar quarter (i.e., by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter). The specific percentage applied to the quarterly Net Win pursuant to subdivision (a) shall be determined by the cumulative total of the Net Win earned since the beginning of the calendar year. Thus, for instance, if the cumulative Net Win exceeds \$50 million in the second quarter (but is less than \$100 million), the percentage applied to the Net Win earned during that quarter under subdivision (a)(i) would be 10% for the amounts earned in that quarter up to \$50 million and 14% for the amounts in excess of \$50 million. If the Gaming Activities authorized by the Amended Compact commence during a calendar quarter, the first payment shall be due on the thirtieth day following the end of the first full calendar quarter of the Gaming Operation and shall cover the period from the commencement of the Gaming Activities to the end of the first full calendar quarter. Said quarterly payments shall be accompanied by the certification specified in subdivision (d).

(c) For purposes of this subdivision (a),

(i) "Net Win" means the gross revenue ("drop") less all prizes and payouts, fills, hopper adjustments and participation fees. Participation fees shall be defined as payments made to Gaming Resource Suppliers on a periodic basis by the Gaming Operation for the right to lease or otherwise offer for play Gaming Devices that the Tribe does not own and that are not generally available for outright purchase by gaming operators.

(ii) "Gaming Device," as defined in Section 2.6 of the Amended Compact, includes instant lottery game devices and video poker devices, and each player station of a multi-player device constitutes a separate Gaming Device.

(d) The quarterly payments shall be accompanied by a certification of the Net Win calculation prepared by the chief financial officer of the Gaming Operation. The certification shall also specify the percentage applied to the quarterly Net Win, as specified in subdivision (a), and the total amount of the quarterly payment. At any time after the fourth quarter payment (which is due by January 30), but in no event later than April 30, the Tribe shall also provide to the agency, trust, fund or entity specified pursuant to subdivision (b) an annual certification of the Net Win calculation for the immediately preceding year by an independent certified public

accountant who is not employed by the Tribe, the Tribal Gaming Agency, or the Gaming Operation, is only otherwise retained by any of these entities to conduct regulatory or independent audits of the Gaming Operation, and has no financial interest in any of these entities. Copies of the quarterly and annual certifications prepared by the chief financial officer of the Gaming Operation and the independent certified public accountant shall also be sent to the State Gaming Agency. The State Gaming Agency may audit the Net Win calculation, and if it determines that the Net Win is understated, will promptly notify the Tribe and provide a copy of the audit. The Tribe within twenty (20) days will either accept the difference or provide a reconciliation satisfactory to the State Gaming Agency. If the Tribe accepts the difference or does not provide a reconciliation satisfactory to the State Gaming Agency, the Tribe must immediately pay the amount of the resulting deficiency plus accrued interest thereon at the rate of 1.0% per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. If the Tribe does not provide a reconciliation satisfactory to the State Gaming Agency, the Tribe, once payment is made, may commence dispute resolution under Section 9.0. The parties expressly acknowledge that the certifications and information related to payments herein are subject to subdivision (c) of Section 7.4.3.

(e) Notwithstanding anything to the contrary in Section 9.0, any failure of the Tribe to remit its payments referenced in subdivision (a) pursuant to subdivisions (b) and (d) will entitle the State to immediately seek injunctive relief in federal or state court, at the State's election, to compel the payments, plus accrued interest thereon at the rate of 1.0% per month or the maximum rate permitted by State law for delinquent payments owed to the State, whichever is less; and further, the Tribe expressly consents to be sued in either court and waives its right to assert sovereign immunity against the State in any such proceeding to enforce said payment obligations, including, but not limited to, a proceeding to enforce any resulting judgment. Failure to make timely payment shall be deemed a material breach of this Amended Compact.

(f) Notwithstanding anything to the contrary in Section 9.0, if any portion of the payments referenced in subdivision (a) pursuant to subdivisions (b) and (d), is overdue after the State Gaming Agency has provided written notice to the Tribe of the overdue amount with an opportunity to cure of at least 15 business days, and if more than 60 days has passed from the due date, then the Tribe shall cease operating all Gaming

Devices until full payment is made; provided further that if any portion of the payments is overdue as specified above on more than two occasions, the Tribe shall be required to cease operating all Gaming Devices for an additional 30 days after full payment of all outstanding amounts has been made. For purposes of this subdivision, the notice herein shall be provided by certified mail to the address provided pursuant to Section 13.0 as well as to the Tribal Gaming Agency at the last address provided to the State Gaming Agency.

(g) This Section constitutes a "Section 4.3.1" within the meaning of article 6.5 (commencing with Section 63048.6) of Chapter 2 of Division 1 of Title 6.7 of the California Government Code.

E. A new **Section 4.3.4** is added as follows:

Section 4.3.4. For purposes of Section 4.3.3, the State Gaming Agency shall be the California Gambling Control Commission, unless the State provides otherwise by written notice pursuant to Section 13.0.

F. A new **Section 4.3.5** is added as follows:

Section 4.3.5. Except pursuant to the express concurrence of the Governor required by Section 20(b)(1)(A) of IGRA, the Tribe may operate its Gaming Devices only on its Indian lands within the boundaries of its reservation existing as of December 22, 2004, in Imperial County, at one or the other of the following locations, but not both: (1) its existing Paradise Casino Gaming Facility as described in Exhibit C, or (2) its 494.7-acre site on Interstate 8 frontage between Winterhaven Drive and Algodones Road, which site is described in Exhibit D hereto. Notwithstanding anything to the contrary in this Amended Compact, however, any independent structures or other improvements ancillary to the Gaming Activities, in which no Class III gaming is conducted, including any roads, parking lots, or walkways, may be on contiguous land to the aforesaid Indian lands (i) where said contiguous land is held by the Tribe in fee but if and only if the Tribe's activities thereon are subject to the jurisdiction of State law and the State courts, or (ii) where said contiguous land is Indian lands within the meaning of IGRA.

II. *AUTHORIZATION AND EXCLUSIVITY*

Section 3.0 is repealed and replaced with the following:

Section 3.0. Authorization and Exclusivity of Class III Gaming.

Section 3.1. The Tribe is hereby authorized and permitted to engage in only the Gaming Activities expressly referred to in Section 4.1 and shall not engage in Class III gaming that is not expressly authorized in that Section.

Section 3.2. In recognition of the Tribe's agreement to make the payments specified in Sections 4.3.2.2 and Section 4.3.3, the Tribe shall have the following rights:

(a) For purposes of this Section, the Tribe's core geographic market, as specified in subdivision (b), consists of Imperial County, California.

(b) In the event that the State authorizes any person or entity, other than an Indian tribe with a federally authorized compact, to engage in the Gaming Activities specified in subdivision (a) of Section 4.1 of this Amended Compact, the Tribe shall be relieved of its obligation to make the payments specified in Section 4.3.2.2 and Section 4.3.3, if but only if any such person or entity (other than an Indian tribe with a federally authorized compact) engages in said Gaming Activities within the Tribe's core geographic market, until such time that such gaming ceases.

(c) Notwithstanding the Tribe's cessation of payments under Section 4.3.2.2 or Section 4.3.3, the Tribe shall compensate the State for the actual and reasonable costs of regulation, as determined by the State Director of Finance, or failing agreement on that amount, as determined by arbitration pursuant to Section 9.2 of the Amended Compact.

III. TESTING OF GAMING DEVICES

The following new Section is added after **Section 7.4.5** of the 1999 Compact:

Section 7.5. Testing of Gaming Devices.

(a) No Gaming Device may be offered for play unless:

- (i) The manufacturer or distributor which sells, leases, or distributes such Gaming Device (A) has applied for a finding of suitability by the State Gaming Agency at least 15 days before it is offered for play, (B) has not been found to be unsuitable by the State Gaming Agency, and (C) has been licensed by the Tribal Gaming Agency;
- (ii) The software for the game authorized for play on the Gaming Device has been tested, approved and certified by an independent or state governmental gaming test laboratory (the "Gaming Test Laboratory") as operating in accordance with either the standards of Gaming Laboratories International, Inc. known as GLI-11 and GLI-12, or the technical standards approved by the State of Nevada, or such other technical standards as the State Gaming Agency and the Tribal Gaming Agency shall agree upon, which agreement shall not be unreasonably withheld, and a copy of said certification is provided to the State Gaming Agency by electronic transmission or by mail unless the State Gaming Agency waives receipt of copies of certification;
- (iii) The software for the game authorized for play on the Gaming Device is tested by the Tribal Gaming Agency to ensure that each game authorized for play on the Gaming Device has the correct electronic signature prior to insertion into the Gaming Device; and
- (iv) The hardware and associated equipment for the Gaming Device has been tested by the Gaming Test Laboratory to ensure operation in accordance with the manufacturer's specifications.

(b) The Gaming Test Laboratory shall be an independent or state governmental gaming test laboratory recognized in the gaming industry which (i) is competent and qualified to conduct scientific tests and evaluations of Gaming Devices, and (ii) is licensed or approved by any of the following states: Arizona, California, Colorado, Illinois, Indiana, Iowa, Michigan, Missouri, Nevada, New Jersey, or Wisconsin. The Tribal Gaming Agency shall submit to the State Gaming Agency documentation that

demonstrates the Gaming Test Laboratory satisfies (i) and (ii) herein within thirty (30) days of the effective date of this Amended Compact, or if such use follows said effective date, within fifteen (15) days prior to reliance thereon. If, at any time, the Gaming Test Laboratory license and/or approval required by (ii) herein is suspended or revoked by any of those states or the Gaming Test Laboratory is found unsuitable by the State Gaming Agency, then the State Gaming Agency may reject the use of such Gaming Test Laboratory, and upon such rejection, the Tribal Gaming Agency shall ensure that such Gaming Test Laboratory discontinues its responsibilities under this Section.

(c) The Tribal Gaming Agency shall ensure that compliance with subdivisions (a) and (b) is audited annually by an independent auditor and shall provide the results of such audits to the State Gaming Agency within five (5) business days of completion. For purposes of this subdivision, an independent auditor shall be a certified public accountant and/or certified internal auditor who is not employed by the Tribe, the Tribal Gaming Agency, or the Gaming Operation, has no financial interest in any of these entities, and is only otherwise retained by any of these entities to conduct regulatory audits or audits under Section 8.1.8.

(d) The State Gaming Agency may inspect the Gaming Devices in operation at the Gaming Facility on a random basis not to exceed four (4) times annually to confirm that they operate and play properly pursuant to the manufacturer's technical standards. Said random inspections conducted pursuant to this subdivision shall occur during normal business hours from 7 a.m. to 5 p.m. outside of Fridays, weekends, and holidays and shall not remove from play more than 5% of the Gaming Devices operating at the Gaming Facility. The State Gaming Agency shall provide notice to the Tribal Gaming Agency of such inspection prior to the commencement of the random inspection, and the Tribal Gaming Agency may accompany the State Gaming Agency inspector(s). The State Gaming Agency may conduct additional inspections only upon reasonable belief of any irregularity and after informing the Tribal Gaming Agency of the basis for such belief.

(e) The Tribal Gaming Agency shall provide to the State Gaming Agency copies of its regulations for technical standards applicable to the Tribe's Gaming Devices at least thirty (30) days before offering the Gaming Devices for play and at least thirty (30) days before the effective date of any revisions to the regulations.

(f) For purposes of this Section 7.5, the State Gaming Agency shall be the California Gambling Control Commission, unless the State provides otherwise by written notice pursuant to Section 13.0.

IV. BUILDING CODES

Subdivision (d) of Section 6.4.2 is repealed and subdivisions (d)-(k) of Section 6.4.2 are added as follows:

Section 6.4.2.

(d) Section 6.4.2, subdivision (b), of the 1999 Compact shall apply to any Gaming Facility constructed prior to the effective date of this Amendment, and subdivisions (e) through (k) herein shall apply to the construction of any Gaming Facility after the effective date of this Amendment and to any reconstruction, alteration of, or addition to, any existing Gaming Facility occurring after said effective date (“Covered Gaming Facility Construction”).

(e) In order to assure the protection of the health and safety of all Gaming Facility patrons, guests, and employees, the Tribe shall adopt or has already adopted, and shall maintain throughout the term of this Amended Compact, an ordinance that requires any Covered Gaming Facility Construction to meet or exceed the California Building Code and the Public Safety Code applicable to the city or county in which the Gaming Facility is located as set forth in Titles 19 and 24 of the California Code of Regulations, as those regulations may be amended during the term of this Amended Compact, including but not limited to, codes for building, electrical, energy, mechanical, plumbing, fire, and safety (“the Applicable Codes”). Notwithstanding the foregoing, the Tribe need not comply with any standard that specifically applies in name or in fact only to tribal facilities. Without limiting the rights of the State under this Section, reference to Applicable Codes is not intended to confer jurisdiction upon the State or its political subdivisions. For purposes of this Section, the terms “building official” and “code enforcement agency” as used in Title 19 and 24 of the California Code of Regulations mean the Tribal Gaming Agency or such other Tribal government agency or official as may be designated by the Tribe’s law.

(f) In order to assure compliance with the Applicable Codes, in all cases where said codes would otherwise require a permit, the Tribe shall require inspections and shall, for that purpose, employ for any Covered Gaming Facility Construction appropriate plan checkers or review firms that either are California licensed architects or engineers with relevant experience or are on the list, if any, of approved plan checkers or review firms provided by the city or county in which the Gaming Facility is located, and employ project inspectors that are currently either certified as Class 1 inspectors by the Division of the State Architect or as Class A inspectors by the Office of Statewide Health Planning and Development or their successors. The Tribe shall require said inspectors to maintain contemporaneous records of all inspections and report in writing any failure to comply with the Applicable Codes to the Tribal Gaming Agency and to an agency designated by the Governor (the "State Designated Agency"). The plan checkers, review firms, and project inspectors shall hereinafter be referred to as "Inspector(s)."

(g) In all cases where the Applicable Codes would otherwise require plan check, the Tribe shall require those responsible for any Covered Gaming Facility Construction to provide the documentation set forth below:

- (i) The Tribe shall cause the design and construction calculations, and plans and specifications that form the basis for the planned Covered Gaming Facility Construction (the "Design and Building Plans") to be provided to the State Designated Agency within fifteen (15) days of their final plan check and approval;
- (ii) In the event that material changes to a structural detail of the Design and Building Plans will result from contract change orders or any other changes in the Design and Building Plans, the Tribe shall provide such change orders or other changes to the State Designated Agency within five (5) days of the change's execution or approval, and such changes shall be reviewed by the Inspectors for compliance with the Applicable Codes;
- (iii) The Tribe shall maintain during construction all other contract change orders for inspection and copying by the State Designated Agency upon its request;

(iv) The Tribe shall maintain the Design and Building Plans for the term of this Amended Compact.

(h) The State Designated Agency may designate an agent or agents to be given reasonable notice of each inspection by an Inspector required by Section 108 of the California Building Code, and said State agents may accompany the Inspector on any such inspection. The Tribe agrees to correct any Gaming Facility condition noted in said inspection that does not meet the Applicable Codes (hereinafter "deficiency"). Upon not fewer than three (3) business days' notice to the Tribal Gaming Agency, except in circumstances posing an immediate threat to the life or safety of any person, in which case no advance notice is required, the State Designated Agency shall also have the right to review all records of the Inspectors and conduct an independent inspection of the Gaming Facility to verify compliance with the Applicable Codes before public occupancy and shall report to the Tribal Gaming Agency any alleged deficiency; provided, however, that prior to any exercise by the State of its right to inspect without advance notice based upon alleged circumstances posing an immediate threat to the life or safety of any person, the State Designated Agency shall provide to the Tribal Gaming Agency notice in writing specifying in reasonable detail those alleged circumstances.

(i) Upon final certification by the Inspector that a Gaming Facility meets Applicable Codes, the Tribal Gaming Agency shall forward the Inspector's certification to the State Designated Agency within ten (10) days of issuance. If the State Designated Agency objects to that certification, the Tribe shall make a good faith effort to address the State's concerns, but if the State Designated Agency does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of Section 9.0.

(j) Any failure to remedy within a reasonable period of time any material and timely raised deficiency shall be deemed a violation of the Compact unless the State has acted unreasonably in reporting the deficiency to the Tribe, and furthermore, any deficiency that poses a serious or significant risk to the health or safety of any occupants shall be grounds for the State Designated Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to a court order until the deficiency is corrected.

(k) The Tribe shall also take all necessary steps to (i) reasonably ensure the ongoing availability of sufficient and qualified fire suppression services to the Gaming Facility and (ii) reasonably ensure that the Gaming Facility satisfies all requirements of Title 19 of the California Code of Regulations applicable to similar facilities in the city or county in which the Gaming Facility is located. Not more than sixty (60) days after the effective date of the Amendment, and not less than biennially thereafter, and upon at least ten (10) days' notice to the State Designated Agency, the Gaming Facility shall be inspected, at the Tribe's expense, by a Tribal official, if any, who is responsible for fire protection on the Tribe's lands, or by an independent expert, for purposes of certifying that the Gaming Facility meets a reasonable standard of fire safety and life safety. The State Designated Agency shall be entitled to designate and have a qualified representative or representatives present during the inspection. During such inspection, the State's representative(s) shall specify to the Tribal official or independent expert, as the case may be, any condition which the representative(s) reasonably believes would preclude certification of the Gaming Facility as meeting a reasonable standard of fire safety and life safety. Within fifteen (15) days of the inspection, the Tribal official or independent expert shall issue a report on the inspection, identifying any deficiency in fire safety or life safety at the Gaming Facility or in the ability of the Tribe to meet reasonably expected fire suppression needs of the Gaming Facility. Within fifteen (15) days after the issuance of the report, the Tribal official or independent expert shall also require and approve a specific plan for correcting deficiencies, whether in fire safety at the Gaming Facility or in the Tribe's ability to meet the reasonably expected fire suppression needs of the Gaming Facility, including those identified by the State's representative(s). A copy of the report shall be served on the State Designated Agency, upon delivery of the report to the Tribe. Immediately upon correction of all deficiencies identified in the report, the Tribal official or independent expert shall certify in writing to the State Designated Agency that all previously identified deficiencies have been corrected. Any failure to correct all deficiencies identified in the report within a reasonable period of time shall be deemed a violation of the Compact, and any failure to promptly correct those deficiencies that pose a serious or significant risk to the health or safety of any occupants shall be a violation of the Compact and grounds for the State Gaming Agency or other State Designated Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to a court order until the deficiency is corrected.

V. PATRON DISPUTES AND PROBLEM GAMBLING

A. Section 8.1.10(d) of the 1999 Compact is repealed and replaced by the following:

Section 8.1.10(d). The Tribal Gaming Agency shall promulgate regulations governing patron disputes over the play or operation of any game, including any refusal to pay a patron any alleged winnings from any Gaming Activities, which regulations must meet the following minimum standards:

- (i) A patron who makes a complaint to personnel of the Gaming Operation over the play or operation of any game within seven (7) days of said play or operation shall be advised in writing of his or her right to request, within fifteen (15) days of such written notification, resolution of the complaint by the Tribal Gaming Agency, and if dissatisfied with the resolution, to seek binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subparagraph (iii).
- (ii) Upon request by the patron for a resolution of his or her complaint, the Tribal Gaming Agency shall conduct an investigation, shall provide to the patron a copy of its regulations concerning patron complaints, and shall render a decision consistent with industry practice extant in Nevada and New Jersey. The decision shall be issued within sixty (60) days of the patron's request, shall be in writing, shall be based on the facts surrounding the dispute, and shall set forth the reasons for the decision.
- (iii) If the patron is dissatisfied with the decision of the Tribal Gaming Agency, or no decision is issued within the sixty (60) day period, the patron may request that any such complaint over any claimed prizes or winnings and the amount thereof, be settled by binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the

closest equivalent). Upon such request, the Tribe shall consent to such arbitration and agree to abide by the decision of the arbitrator; provided, however, that if any alleged winnings are found to be a result of a mechanical, electronic or electromechanical failure, which is not due to the intentional acts or gross negligence of the Tribe or its agents, the arbitrator shall deny the patron's claim for the winnings but shall award reimbursement of the amounts wagered by the patron which were lost as a result of any said failure. To effectuate its consent to arbitration, the Tribe shall, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (A) enforce the parties' obligation to arbitrate, (B) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (C) enforce or execute a judgment based upon said award. The cost and expenses of such arbitration shall be initially borne by the Tribe but the arbitrator shall award to the prevailing party its costs and expenses (but not attorney fees). Any party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided that the party making such election must bear all costs and expenses of JAMS and the arbitrators associated with the Appeal Procedure regardless of the outcome.

- B.** The following new **Section 8.5** is added after **Section 8.4.1** of the 1999 Compact:

Section 8.5. Problem Gambling.

- (a) **Signage.** The Tribal Gaming Agency shall display at all public entrances, ATM's, and exits of the Gaming Facility signage bearing a toll-free help-line number where patrons may obtain assistance for gambling problems.
- (b) **Self-exclusion.** The Tribal Gaming Agency shall establish self-exclusion programs whereby a self-identified problem gambler may request the halt of promotional mailings, the revocation of

privileges for casino services, denial of or restraint on the issuance of credit and check cashing services, and exclusion from the Gaming Facility.

- (c) Involuntary exclusion. The Tribal Gaming Agency shall establish an involuntary exclusion program that allows the Gaming Operation to halt promotional mailings, deny or restrain the issuance of credit and cash checking services, and deny access to the Gaming Facility to patrons who have exhibited signs of problem gambling.
- (d) The Tribal Gaming Agency shall make diligent efforts to prevent underage individuals from loitering in the area of the Gaming Facility where the Gaming Activities take place.
- (e) The Tribal Gaming Agency shall assure that advertising and marketing of the Gaming Activities at the Gaming Facility contain a responsible gaming message and a toll-free help-line number for problem gamblers, where practical, and that it make no false or misleading claims.
- (f) The Tribal Gaming Agency shall adopt a code of conduct, derived, inter alia, from that of the American Gaming Association, that addresses responsible gambling and responsible advertising.

VI. *THIRD PARTY INJURIES*

Section 10.2(d) of the 1999 Compact is repealed and replaced by the following:

Section 10.2(d)

- (i) The Tribe shall obtain and maintain a commercial general liability insurance policy consistent with industry standards for non-tribal casinos and underwritten by an insurer with an A.M. Best rating of A or higher (“Policy”) which provides coverage of no less than \$10 million per occurrence for bodily injury, property damage, and personal injury arising out of, connected

with, or relating to the operation of the Gaming Facility or Gaming Activities. In order to effectuate the insurance coverage, the Tribe shall waive its right to assert sovereign immunity up to the limits of the Policy, in accordance with the tribal ordinance referenced in subparagraph (ii) below, in connection with any claim for bodily injury, property damage, or personal injury arising out of, connected with, or relating to the operation of the Gaming Facility or Gaming Activities, including, but not limited to, injuries resulting from entry onto the Tribe's land for purposes of patronizing the Gaming Facility or providing goods or services to the Gaming Facility; provided, however, that nothing herein requires the Tribe to agree to liability for punitive damages or to waive its right to assert sovereign immunity in connection therewith. The Policy shall acknowledge that the Tribe has waived its right to assert sovereign immunity for the purpose of arbitration of those claims up to the limits of the Policy referred to above and for the purpose of enforcement of any ensuing award or judgment and shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to said limits of the Policy; however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity beyond the policy limits.

- (ii) Prior to the effective date of this Amendment, the Tribe shall adopt, and at all times hereafter shall maintain in continuous force, an ordinance that provides for the following:
 - (A) The ordinance shall provide that California tort law shall govern all claims of bodily injury, property damage, or personal injury arising out of, connected with, or relating to the operation of the Gaming Facility or the Gaming Activities, including, but not limited to, injuries resulting from entry onto the Tribe's land for purposes of patronizing the Gaming Facility or providing goods or services to the

Gaming Facility, provided that California law governing punitive damages need not be a part of the ordinance.

- (B) Said ordinance shall also expressly provide for waiver of the Tribe's right to assert sovereign immunity with respect to the arbitration of such claims but only up to the limits of the Policy; provided, however, such waiver shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity beyond the policy limits.

- (C) Said ordinance shall provide for the Tribe's consent to binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the comprehensive arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent) to the extent of the limits of the Policy, that discovery in the arbitration proceedings shall be governed by Section 1283.05 of the California Code of Civil Procedure, that the Tribe shall initially bear the cost of JAMS and the arbitrator, but the arbitrator may award costs to the prevailing party not to exceed those allowable in a suit in California Superior Court, and that any party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (or if those rules no longer exist, the closest equivalent), provided that the party making such election must bear all costs and expenses of JAMS and the arbitrators associated with the Appeal Procedure regardless of the outcome. To effectuate its consent to the foregoing arbitration procedure, the Tribe shall, in the exercise of its sovereignty, waive its right to assert its sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (1) enforce the parties' obligation to arbitrate, (2) confirm, correct, modify, or vacate the arbitral

award rendered in the arbitration, or (3) enforce or execute a judgment based upon said award.

- (D) The ordinance may also require that the claimant first exhaust the Tribe's administrative remedies for resolving the claim (hereinafter the "Tribal Dispute Process") in accordance with the following standards: The claimant must bring his or her claim within 180 days of receipt of written notice of the Tribal Dispute Process as long as notice thereof is served personally on the claimant or by certified mail with an executed return receipt by the claimant and the 180-day limitation period is prominently displayed on the front page of said notice. The ordinance may provide that any arbitration shall be stayed until the completion of the Tribal Dispute Process or 180 days from the date the claim is filed, whichever first occurs, unless the parties mutually agree to a longer period.
- (iii) Upon notice that a claimant claims to have suffered an injury or damage covered by this Section, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within the specified limitation period to first exhaust the Tribal Dispute Resolution Process, if any, and if dissatisfied with the resolution, entitled to arbitrate his or her claim before a retired judge.
- (iv) Failure to comply with this Section 10.2, subdivision (d), shall be deemed a material breach of the Compact.

VII. MITIGATION OF OFF-RESERVATION IMPACTS

Section 10.8 is repealed and replaced by the following:

Section 10.8. Off-Reservation Impact(s).

Section 10.8.1. Tribal Environmental Impact Report. (a) Before the commencement of any Project as defined in Section 10.8.7 herein, the Tribe shall cause to be prepared a tribal environmental impact report, which is hereinafter referred to as a TEIR, analyzing the potentially significant off-reservation environmental impacts of the Project pursuant to the process set forth in this Section 10.8; provided, however, that information or data which is relevant to such a TEIR and is a matter of public record or is generally available to the public need not be repeated in its entirety in such TEIR, but may be specifically cited as the source for conclusions stated therein; and provided further that such information or data shall be briefly described, that its relationship to the TEIR shall be indicated, and that the source thereof shall be reasonably available for inspection at a public place or public building. The TEIR shall provide detailed information about the Significant Effect(s) on the Off-Reservation Environment which the Project is likely to have, including each of the matters set forth in Exhibit A, shall list ways in which the Significant Effects on the Environment might be minimized, and shall include a detailed statement setting forth all of the following:

- (i) All Significant Effects on the Environment of the proposed Project;
- (ii) In a separate Section:
 - (A) Any Significant Effect on the Environment that cannot be avoided if the Project is implemented;
 - (B) Any Significant Effect on the Environment that would be irreversible if the Project is implemented;
- (iii) Mitigation measures proposed to minimize Significant Effects on the Environment, including, but not limited to, measures to reduce the wasteful, inefficient, and unnecessary consumption of energy;

- (iv) Alternatives to the Project; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands;
- (v) Whether any proposed mitigation would be feasible;
- (vi) Any direct growth-inducing impacts of the Project; and
- (vii) Whether the proposed mitigation would be effective to substantially reduce the potential Significant Effects on the Environment.

(b) In addition to the information required pursuant to subdivision (a), the TEIR shall also contain a statement briefly indicating the reasons for determining that various effects of the Project on the off-reservation environment are not significant and consequently have not been discussed in detail in the TEIR. In the TEIR, the direct and indirect Significant Effects on the Off-Reservation Environment, including each of the items on Exhibit A, shall be clearly identified and described, giving due consideration to both the short-term and long-term effects. The discussion of mitigation measures shall describe feasible measures which could minimize significant adverse effects, and shall distinguish between the measures that are proposed by the Tribe and other measures proposed by others. Where several measures are available to mitigate an effect, each should be discussed and the basis for selecting a particular measure should be identified. Formulation of mitigation measures should not be deferred until some future time. The TEIR shall also describe a range of reasonable alternatives to the Project or to the location of the Project, which would feasibly attain most of the basic objectives of the Project and which would avoid or substantially lessen any of the Significant Effects on the Environment, and evaluate the comparative merits of the alternatives; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands. The TEIR must include sufficient information about each alternative to allow meaningful evaluation, analysis, and comparison. The TEIR shall also contain an index or table of contents and a summary, which shall identify each Significant Effect on the Environment with proposed measures and alternatives that would reduce or avoid that effect, and issues to be resolved, including the choice among alternatives and whether and how to mitigate the Significant

Effects on the Environment. Previously approved land use documents, including, but not limited to, general plans, specific plans, and local coastal plans, may be used in cumulative impact analysis. The Tribe shall consider any recommendations from the Board of Supervisors of Imperial County concerning the person or entity to prepare the TEIR.

Section 10.8.2. Notice of Preparation of Draft TEIR.

(a) Upon commencing the preparation of the draft TEIR, the Tribe shall issue a Notice of Preparation to the State Clearinghouse in the State Office of Planning and Research ("State Clearinghouse") and to the County of Imperial (the "County") for distribution to the public. The Notice shall provide all Interested Persons with information describing the Project and its potential Significant Effects on the Environment sufficient to enable Interested Persons to make a meaningful response or comment. At a minimum, the Notice shall include all of the following information:

- (i) A description of the Project;
- (ii) The location of the Project shown on a detailed map, preferably topographical, and on a regional map; and
- (iii) The probable off-reservation environmental effects of the Project.

(b) The Notice shall also inform Interested Persons of the preparation of the draft TEIR and shall inform them of the opportunity to provide comments to the Tribe within thirty (30) days of the date of the receipt of the Notice by the State Clearinghouse and the County. The Notice shall also request Interested Persons to identify in their comments the off-reservation environmental issues and reasonable mitigation measures that the Tribe will need to have explored in the draft TEIR.

Section 10.8.3. Notice of Completion of the Draft TEIR.

(a) Within no less than thirty (30) days following the receipt of the Notice of Preparation by the State Clearinghouse and the County, the Tribe shall file a copy of the draft TEIR and a Notice of Completion with the State Clearinghouse, the County, and the California Department of Justice. The Notice of Completion shall include all of the following information:

- (i) A brief description of the Project;
- (ii) The proposed location of the Project;
- (iii) An address where copies of the draft TEIR are available;
and
- (iv) Notice of a period of forty-five (45) days during which the Tribe may receive comments on the draft TEIR.

(b) The Tribe will submit forty-five (45) copies of the draft TEIR and Notice of Completion to the County, which will be asked to serve in a timely manner the Notice of Completion to all Interested Persons and asked to post public notice of the draft TEIR at the office of the County Board of Supervisors and to furnish the public notice at the public libraries serving the County. In addition, the Tribe will provide public notice by at least one of the procedures specified below:

- (i) Publication at least one time by the Tribe in a newspaper of general circulation in the area affected by the Project. If more than one area is affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas; or
- (ii) Direct mailing by the Tribe to the owners and occupants of property adjacent to, but outside, the Indian lands on which the Project is to be located. Owners of such property shall be identified as shown on the latest equalization assessment roll.

Section 10.8.4. Issuance of Final TEIR. The Tribe shall prepare, certify and make available to the County and the State Gaming Agency at least fifty-five (55) days before the completion of negotiations pursuant to Section 10.8.8 a Final TEIR, which shall consist of:

- (i) The draft TEIR or a revision of the draft;

- (ii) Comments and recommendations received on the draft TEIR either verbatim or in summary;
- (iii) A list of persons, organizations, and public agencies commenting on the draft TEIR;
- (iv) The responses of the Tribe to significant environmental points raised in the review and consultation process; and
- (v) Any other information added by the Tribe.

Section 10.8.5. The Tribe shall reimburse the County for copying and mailing costs resulting from making the Notice of Preparation, Notice of Completion, and Draft TEIR available to the public under this Section 10.8.

Section 10.8.6. The Tribe's failure to prepare a TEIR when required may warrant an injunction where appropriate.

Section 10.8.7. Definitions. For purposes of this Section 10.8, the following terms shall be defined as set forth in this subdivision.

(a) "Project" is defined as any activity occurring on Indian lands after the effective date of this Amendment, a principal purpose of which is to serve the Tribe's Gaming Activities or Gaming Operation and which may cause either a direct physical change in the off-reservation environment, or a reasonably foreseeable indirect physical change in the off-reservation environment. This definition shall be understood to include, but not be limited to, the construction or planned expansion of any Gaming Facility and any construction or planned expansion, a principal purpose of which is to serve a Gaming Facility, including, but not limited to, access roads, parking lots, a hotel, an entertainment facility, utility or waste disposal systems, or water supply, as long as such construction or expansion causes a direct or indirect physical change in the off-reservation environment.

(b) "Significant Effect(s) on the Environment" is the same as "Significant Effect(s) on the Off-Reservation Environment" and occur(s) if any of the following conditions exist:

- (i) A proposed Project has the potential to degrade the quality of the off-reservation environment, curtail the range of the environment, or to achieve short-term, to the disadvantage of long-term, environmental goals.
- (ii) The possible effects on the off-reservation environment of a Project are individually limited but cumulatively considerable. As used herein, “cumulatively considerable” means that the incremental effects of an individual Project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effect of probable future projects.
- (iii) The off-reservation environmental effects of a Project will cause substantial adverse effects on human beings, either directly or indirectly.

For purposes of this definition, reservation refers to Indian lands within the meaning of IGRA or lands otherwise held for the Tribe in trust by the United States.

(c) “Interested Persons” means (i) all local, State, and federal agencies, which, if a Project were not taking place on Indian lands, would have responsibility for approving the project or would exercise authority over the natural resources that may be affected by the project, or (ii) persons, groups, or agencies that request in writing a notice of preparation of a draft TEIR or have commented on the Project in writing to the Tribe or the County.

Section 10.8.8. Intergovernmental Agreements.

(a) Before the commencement of a Project, and no later than the issuance of the Final TEIR to the County, the Tribe shall offer to commence negotiations with the County, and upon the County’s acceptance of the Tribe’s offer, shall negotiate with the County and shall enter into an enforceable written agreement with the County with respect to the matters set forth below:

- (i) Timely mitigation of any Significant Effect on the Off-Reservation Environment (which effects may include, but are not limited to, aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, water resources, land use, mineral resources, traffic, noise, utilities and service systems, and cumulative effects), where such effect is attributable, in whole or in part, to the Project unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, or other considerations.
- (ii) Compensation for law enforcement, fire protection, emergency medical services and any other public services to be provided by the County to the Tribe for the purposes of the Tribe's Gaming Operation as a consequence of the Project.
- (iii) Reasonable compensation for programs designed to address gambling addiction.
- (iv) Mitigation of any effect on public safety attributable to the Project, including any compensation to the County as a consequence thereof.

(b) Before the commencement of a Project, and no later than the issuance of the Final TEIR to the State Gaming Agency, the Tribe shall negotiate with the State Department of Transportation or other agency designated by the Governor (the "State Designated Agency") and shall enter into an enforceable written agreement with the State Department of Transportation or the State Designated Agency to timely mitigate the off-reservation traffic impacts of the Project on the State highway system and facilities, where such impacts are attributable, in whole or in part, to the Project. The State Department of Transportation shall have authority to enter into such agreement with the Tribe in order to implement this subdivision.

Section 10.8.9. Arbitration. In order to foster good government-to-government relationships and to assure that the Tribe is not unreasonably

prevented from commencing a Project and benefiting therefrom, if either an intergovernmental agreement with the County or an intergovernmental agreement with the State Department of Transportation (or State Designated Agency) is not entered within fifty-five (55) days of the submission of the Final TEIR, or such further time as the Tribe and the County, or Tribe and the State Department of Transportation (or State Designated Agency) (for purposes of this Section “the parties”) may mutually agree in writing, any party that has not reached agreement may demand binding arbitration before a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association as set forth herein with respect to any remaining disputes arising from, connected with, or related to the negotiation of its respective agreement:

(a) The arbitration shall be conducted as follows: Each party shall exchange with the other within five (5) days of the demand for arbitration its last, best written offer made during the negotiation pursuant to Section 10.8.8. The arbitrator shall schedule a hearing to be heard within thirty (30) days of his or her appointment unless the parties agree to extend the time. As between the Tribe and the County, or the Tribe and the State Department of Transportation (or State Designated Agency), the arbitrator shall be limited to awarding only one or the other of the two offers submitted, without modification, based upon that proposal which best provides feasible mitigation of Significant Effects on the Off-Reservation Environment and on public safety (or in the case of the negotiations under Section 10.8.8, subdivision (b), which best provides feasible mitigation of the off-reservation traffic impacts of the Project on the State highway system and facilities) and most reasonably compensates for public services pursuant to Section 10.8.8, without unduly interfering with the principal objectives of the Project or imposing mitigation measures which are different in nature or scale from the type of measures that have been required to mitigate impacts of a similar scale of other projects in the surrounding area, to the extent there are such other projects. The arbitrator shall take into consideration whether the final TEIR provides the data and information necessary to enable the County and/or the State Department of Transportation (or State Designated Agency) to determine both whether the Project may result in a Significant Effect on the Off-Reservation Environment and whether the proposed measures in mitigation are sufficient to mitigate any such effect. If a respondent does not participate in the arbitration, the arbitrator shall nonetheless conduct the arbitration and issue an award, and the claimant shall submit such evidence as the arbitrator may require therefor.

(b) Review of the resulting arbitration award is waived.

(c) In order to effectuate this provision, and in the exercise of its sovereignty, the Tribe agrees to waive its right to assert sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (i) enforce the other party's obligation to arbitrate, (ii) enforce or confirm any arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon said award.

VIII. LICENSURE OF FINANCIAL SOURCES

Section 6.4.6 is repealed and replaced by the following:

Section 6.4.6. Financial Sources.

(a) Subject to subdivision (e) of this Section 6.4.6, any person or entity extending financing, directly or indirectly, to a Tribe for a Gaming Facility or a Gaming Operation (a "Financial Source") shall be licensed by the Tribal Gaming Agency prior to extending that financing.

(b) A license issued under this Section shall be reviewed at least every two years for continuing compliance. In connection with such a review, the Tribal Gaming Agency shall require the Financial Source to update all information provided in the previous application. For purposes of Section 6.5.2, such a review shall be deemed to constitute an application for renewal.

(c) Any agreement between the Tribe and a Financial Source shall include a provision for its termination without further liability on the part of the Tribe, except for the bona fide repayment of all outstanding sums (exclusive of interest) owed as of the date of termination, upon revocation or non-renewal of the Financial Source's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. The Tribe shall not enter into, or continue to make payments pursuant to, any contract or agreement for the provision of financing with any person whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal.

(d) A Gaming Resource Supplier who provides financing exclusively in connection with the provision, sale, or lease of Gaming

Resources obtained from that Supplier may be licensed solely in accordance with licensing procedures applicable, if at all, to Gaming Resource Suppliers, and need not be separately licensed as a Financial Source under this Section.

(e) (1) The Tribal Gaming Agency may, at its discretion, exclude from the licensing requirements of this Section, the following Financial Sources under the circumstances stated:

- (A) A federally-regulated or state-regulated bank, savings and loan association, or other federally- or state-regulated lending institution.
- (B) An entity identified by Regulation CGCC-2, subdivision (f) (as in effect on July 1, 2004) of the California Gambling Control Commission, when that entity is a Financial Source solely by reason of being (i) a purchaser or a holder of debt securities issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation or (ii) the owner of a participation interest in any amount of indebtedness for which a Financial Source described in subdivision (e)(1)(A) is the creditor.
- (C) An investor who, alone or together with any person controlling, controlled by or under common control with such investor, holds less than 10% of all outstanding debt securities issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation.
- (D) An agency of the federal, state or local government providing financing, together with any person purchasing any debt securities of the agency to provide such financing.

(2) The following are not Financial Sources for purposes of this Section:

- (A) An entity identified by Regulation CGCC-2, subdivision (h) (as in effect on July 1, 2004) of the California Gambling Control Commission.
- (B) A person or entity whose sole connection with a provision or extension of financing to the Tribe is to provide loan

brokerage or debt servicing for a Financial Source at no cost to the Tribe or the Gaming Operation, provided that no portion of any financing provided is an extension of credit to the Tribe or the Gaming Operation by that person or entity.

(f) In recognition of changing financial circumstances, this Section shall be subject to good faith renegotiation by both parties in or after five (5) years from the effective date of this Amended Compact upon request of either party; provided such renegotiation shall not retroactively affect transactions that have already taken place where the Financial Source has been excluded or exempted from licensing requirements.

IX. LABOR AND WORKPLACE HEALTH AND SAFETY

A. Section 10.2(e) is repealed and replaced by the following:

(e) Adopt and comply with federal and state workplace and occupational health and safety standards.
