5.5 Harmful or Threatening Activities. If a Lessee or other party causes or threatens to cause immediate and significant harm to the premises, or undertakes criminal activity thereon, the Executive Branch may take appropriate emergency action.

5.6 Holdover. If a Lessee remains in possession after the expiration or cancellation of a Lease, the Executive Branch shall treat such occupation as a trespass. The Executive Branch shall take action to recover possession and pursue additional remedies. Filing shall be pursuant to Tribal laws, or alternatively, the Executive Branch may make a written request sent by certified mail to the BIA for resolution under any applicable federal laws.

5.7 Trespass. If a person occupies the premises without the Executive Branch's approval, the Executive Branch may pursue appropriate remedies, including the filing of a trespass action to regain possession under tribal law.

CHAPTER SIX
APPEALS

SECTION:

6.1 Appeals. The Lessee or interested party may appeal final determination of the Executive Branch made pursuant to this Ordinance, within ten (10) business days of the determination. Appeals may be filed with the Executive Branch or other hearing body or official as set forth in the Business Site Leasing Procedures. Such appeals shall be effectuated by: a written notice setting forth the basis for the appeal, a short statement indicating the nature and circumstances of the appeal, and a short statement indicating the remedy being sought.

6.2 Scope of Review. The Executive Branch or other hearing body or official, as set forth in the Business Site Lease Procedures, shall review whether the determination was arbitrary, capricious, or an abuse of discretion; not supported by substantial evidence in the record; or otherwise, not in accordance with the law. The decision of the Executive Branch or other hearing body or official on the appeal shall be final.

CHAPTER SEVEN
ENVIRONMENTAL REVIEW PROCESS

SECTION:

7.1 Generally. Unless exempt under this Chapter, the Executive Branch shall not approve a Business Site Lease until the proposed Business Site Lease has completed the
Environmental Review Process pursuant to this Chapter and applicable Tribal regulations. Leases approved and executed without compliance with this Chapter shall be null and void.

7.2 Threshold Determination.

(a) Lessee Not Subject to Environmental Review Process: If the Environmental Reviewer determines as a threshold matter that the Leasing Decision by its nature would not have a Significant Effect on the Environment, the Leasing Decision is exempt from additional requirements of the Environmental Review Process, subject to the environmental record requirements of applicable Tribal environmental regulations.

(b) Lessee Exempt from Environmental Review Process: If the Environmental Reviewer determines that: (i) there is no significant change in use resulting from the proposed Business Site Lease; (ii) the Environmental Reviewer confirms that the site was the subject of an Environmental Review Process within the last twenty-four months for a substantially similar Business Site Lease; or (iii) the site is within the footprint of an existing site for which an Environmental Review Process was already conducted (for example, a Space Lease), then such Leasing Decision is exempt from the Environmental Review Process.

(c) Lessee Subject to Environmental Review Process: If the Environmental Reviewer determines that the Leasing Decision might be expected to i) impact, ii) alter, iii) disturb, or iv) otherwise cause physical disturbances to the biological or natural resources of the Tribes, the Lessee must fulfill the requirements of the Environmental Review Process. The physical disturbances must be direct, such as land clearing, new building construction, or discharge of emission or effluent associated with the Project.

7.3 Action on Leasing Decision Subject to Completion of Environmental Review Process. If the Environmental Reviewer determines that the Leasing Decision is subject to the Environmental Review Process, the Executive Branch may not consider the Leasing Decision until the Environmental Reviewer closes the Environmental Review Process in accordance with applicable Tribal environmental regulations.

7.4 Environmental Review Process.

(a) Unless an exemption applies or a Lease is otherwise not subject to the Environmental Review Process, then, before the execution of any Business Site Lease, the Executive Branch shall cause to be prepared a comprehensive and adequate tribal environmental impact report ("TEIR"), analyzing the potentially significant effects of the proposed action on the environment; provided, however, that information or data which is relevant to such a TEIR and is a matter of Public record or is generally available to the Public need not be repeated in its entirety in the TEIR, but may be specifically cited as the source for conclusions stated therein; and provided further that such information or data shall be briefly described, that its relationship to the TEIR shall be indicated, and that the source thereof shall be reasonably available for inspection at a Public place or Public
building. The TEIR shall provide detailed information about the Significant Effect(s) on the Environment which the Lease is likely to have, and shall include a detailed statement setting forth all of the following:

(i) A description of the physical environmental conditions in the vicinity of the Project (the environmental setting and existing baseline conditions), as they exist at the time the notice of preparation is issued;

(ii) All Significant Effects on the Environment of the proposed Lease;

(iii) In a separate section:
   (1) Any Significant Effect on the Environment that cannot be avoided if the Lease is executed; and
   (2) Any Significant Effect on the Environment that would be irreversible if the Lease is executed.
   (3) Any mitigation measures proposed, recommended, or required.

(b) In addition to the information required pursuant to subdivision (a), the TEIR shall also contain a statement indicating the reasons for determining that various effects of the Lease on the off-reservation environment are not significant and consequently have not been discussed in detail in the TEIR. In the TEIR, the direct and indirect Significant Effects on the Environment shall be clearly identified and described, giving due consideration to both the short-term and long-term-effects.

7.5 Notice of Completion of Draft TEIR.

(a) Within no less than thirty (30) business days following the completion of the draft TEIR, the Executive Branch shall file a copy of the draft TEIR and a Notice of Completion with the Secretary of the Executive Branch. The Executive Branch shall also post the Notice of Completion and a copy of the draft TEIR on its website. The Notice of Completion shall include all of the following information:

(i) A brief description of the Project;

(ii) The proposed location of the Project;

(iii) An address where copies of the draft TEIR are available; and

(iv) Notice of a period of thirty (30) business days during which the Tribes will receive comments on the draft TEIR.

(b) To satisfy the requirement for Public notice and opportunity to comment under 25 U.S.C. §415(h), the Executive Branch will provide Public notice by at least one of the procedures specified below:

(i) Publication of the draft TEIR in a newspaper of general circulation in the area affected by the proposed Business Site Lease, with notice to the
Public of the opportunity to comment on any Significant Effect on the Environment of the proposed action.

(ii) Posting of the draft TEIR in the offices of the Tribes and the Executive Branch with notice to the Public of the opportunity to comment on any Significant Effect on the Environment of the proposed action.

7.6 Response to Public Comments. After the thirty (30) day comment period has ended, the Executive Branch will review all comments received from the Public. Prior to the approval and execution of the Business Site Lease, the Executive Branch will provide responses, using the same notification process as provided above in 7.5(b), to relevant and substantive Public comments on any Significant Effect on the Environment arising as a result of the proposed Project and proposed or recommended mitigation measures addressing any such impacts.

CHAPTER EIGHT
SOVEREIGN IMMUNITY

SECTION:

8.1 Nothing in this Ordinance shall be deemed to waive the sovereign immunity of the Tribes or any of its enterprises, authorities, officers, agents, or employees.

CHAPTER NINE
EFFECTIVE DATE; AMENDMENT

SECTION:

9.1 This Ordinance shall take effect upon its adoption by the Legislative Branch and approval by the Secretary of the Interior.

9.2 This Ordinance may be amended by a majority vote of the Legislative Branch at a duly called Legislative Branch meeting at which a quorum is present. All substantive amendments to this Ordinance must be submitted to and approved by the Secretary of the Interior.
