Mr. J. D. Ward

Dear Mr. Ward:

We were delayed in Washington on our work because of having to revise a portion of our brief in the Suches case. We hope to get back to the job of completing the necessary information on the Wards. You will hear from us promptly when this is done.

I have three weeks of Circuit Court casing up and will not be able to do anything until the first week in April, as matters stand.

I will very likely be to the office that week and will get in touch with you as soon as possible.

Sincerely,
